October 2006

Dear Householder

At Outwell Village Store, we have had a few enquiries about home delivery of newspapers and magazines in Nordelph. Currently, it would not be cost effective for us to provide home delivery in Nordelph, for the small number of customers we know of.

However, there may be other Nordelph residents who would like their papers home-delivered. There may be a greater demand which we are not aware of.

We are therefore writing to tell Nordelph householders that, if enough people in Nordelph would like newspapers delivered to the door, we can start up this service. We estimate that the cost would be of the order of 20p per day per household. A household receiving two or three daily papers would still only pay 20p per day.

The newspaper sales department at the Eastern Daily Press is co-operating with us in this exercise to see if a Nordelph home delivery service could be viable.

However, the service is not limited to the Eastern Daily Press. We can provide the full range of daily and weekly newspapers, and weekly and monthly magazines. A list of examples of the titles we can provide is shown overleaf. If you are interested in a title which is not shown, please ask and we will see if we can supply it.

If you would make use of a newspaper home delivery service, please contact us at the store so that we can assess how many customers we may have for the service. If sufficient interest is expressed, we will start up home deliveries in Nordelph and will let you know further details.

Yours truly

**Matthew Lindsay
