

Dear Mr Stannard,

I am a member of the training team for the Contact and Dispatch Centre of the Norfolk Constabulary based at Wymondham.

As a result of your letter to Mr Bett, I have been asked by Superintendent Gregory to offer you the opportunity to visit the Contact and Dispatch Centre at Norfolk Police Headquarters, Wymondham. These visits can usually be accommodated at any time except Friday and Saturday evenings. If you wish to accept this invitation, please furnish me your available dates and I will make the necessary arrangements.

I apologise for contacting you in the way but I tried to telephone you today, Friday 1st December, and got no reply so thought that at least an email contact would start the ball rolling.

Yours sincerely,

John Rowley
